## Application Form 2010 Scholarship Class

Write Essay answers to the following four questions

4. Please describe your current qualifications and work, and your goals on entering the brewing industry. Where do you see yourself in 5 years, 10 years, and why?
5. Please relate how the Intensive Brewing Science and Engineering course will help you meet these goals.
6. Please relate what it is about craft brewing that leads you to the point of wanting to become a professional brewer and tell us what you have accomplished so far toward your goal
7. Please indicate how you will help honor Greg Noonan's legacy of openness, helping other brewers and sharing knowledge for the betterment of all brewers and beer drinkers

Please attach to the enrollment form the following:

8. Standard work resume
9. High School or college transcripts (may be unofficial transcripts and may be mailed from the school)
10. Please provide two letters of recommendation, with one letter being from a professional person, in support of your application along with relevant contact information for all parties.

Please note that the content of your application and recommendations are very important, as this information is all the selection committee has to evaluate your candidacy.
